

**VOLLEYBALL OPPORTUNITIES**  
**CLUB VOLLEYBALL**  
**(High School)**  
**2018-2019**

This document outlines information regarding club volleyball tryouts for high school players for the upcoming club season. This information is for players who have not already committed to a team or club.

Information is available regarding club volleyball on the website for Ohio Valley Region ([www.ovr.com](http://www.ovr.com)) of USA Volleyball under the "Juniors" section of the website. Before you tryout with a club team, you will need to register with USA Volleyball and print off a membership card. There will be a \$10 tryout membership fee for new players. This fee will allow you to go to 5 tryouts. For USAV registration information go to <https://www.ovr.org/register/female-junior.php>.

Club teams in the OVR are classified as National, American, and Regional (includes Elite Regional). Some clubs offer Winter only and Spring only Regional teams. The tryouts for all seasons are at the same time. National teams and some American teams travel to out of state tournaments and involve a greater commitment of time and money than Regional teams.

The USAV playing age is the player's age as of September 1. For Regional, Elite and American teams, the OVR also permits grade level teams. For example, in the OVR, 9th graders can play on American, Elite and Regional U15 teams even if the player's USAV playing age otherwise would be U16. Teams that play at the National level or in USAV tournaments, however, are based solely on the USAV playing age. (For 15U, the player must be born on or after September 1, 2003; for 16U, the player must be born on or after September 1, 2002; and for 17U, the player must be born on or after September 1, 2001.) Please see <https://www.ovr.org/juniors/divisions.php> for more information.

***Please go to the club websites listed below or on [ovr.org](http://ovr.org) for more information, including dates and times for information meetings and pre-tryout open gyms and/or skill training sessions.*** I highly recommend attending the information meetings and for the player to go to a pre-tryout training session and/or open gym to see if you and she like the club.

I also recommend that players tryout for more than one club, if possible, even if it means doing two tryouts on the same day. Club teams may not have more than 3 players from the same school on a team. Also, sometimes teams may be looking to fill particular positions or may not notice a great player at a crowded tryout.

Participating in tryouts is a great opportunity to practice skills and a good learning experience. At the very least, most clubs include a t-shirt as part of the registration. Tell your player to be positive, listen, show enthusiasm, and above all, have fun!

**2018-2019 Clubs Posting Tryouts as of October 22, 2018**

(Information from OVR and/or Club websites)

(Please confirm tryouts times-dates/times may change)

(Clubs listed alphabetically)

### **OTHER OPPORTUNITIES**

- Check the OVR.org website and club websites for beach volleyball opportunities.
- Check club websites for camps, clinics, and beach volleyball opportunities.
- Check college websites for camps and clinics (Otterbein, Capital, and OSU have day camps and overnight summer camps).

#### For High School Players

- Check the regional college summer camps on their athletic department pages.
- Check club websites for summer leagues, fall leagues, camps, clinics, and beach volleyball opportunities.
